

Nevada Thespian Changes in Individual Event Rules for 2018-2019

Nevada Thespians will still follow all NIES Guidelines for Individual Events. The changes below are specific for the Nevada Regional and State Level Events.

1. Short Film students will still register for their IEs through the Nevada Thespian Registration System. However, Short Films will be submitted via Youtube. Students will create the video and then share the link with Nevada Thespians via a google forms. The Google Form will be set up when registration opens. The film will be watched ahead of the conference so feedback can be given via video/audio comments ahead of the conference.
 - a. Here is the form for submission <https://goo.gl/forms/NfEfKO0qTyYzbuTt1>
 - b. Short films need to be registered by December 20th.
 - c. Short films need to be submitted by January 11th for the South and January 18th for the North.
2. Registration for the South and North will be December 20th. All Individual Events must be selected by this deadline. No TBA's or TBD's will be accepted. Students will not be allowed to change Individual Events unless directed by Nevada Thespians. All entries will be reviewed for selection by January 1st. Troupe directors will be notified by January 7th if an Individual Event would be disqualified based on selection. Please refer to the EDTA list of approved publishers and monologues.
3. All qualifying superiors from Regionals will qualify for State Conference. Due to high numbers and our desire to find quality judges, we will not be accepting some Excellents. The following scores will qualify for State Conference.
 - a. Acting 16-20
 - b. Musical 19-24
 - c. All Technical IES 12-16
 - d. Short Film 16-20
4. It is still in effect that only Superior IEs will be accepted for ITF from State Conference.
5. The EDTA is accepting multi-troupe IES. Nevada Thespians will require approval from all troupe directors involved. Please complete the EDTA form listed in the EDTA Rules and submit to NVThespians@gmail.com by December 20th.
